Dear Mike Collings,

Thank you for the lovely basket of flowers, welcoming us into our beautiful, new home. On April 7, 1999, we broke ground here, and for ten months Stan and I participated with you in bringing about the reality of our new home. This entire new endeavor was, for us, without a doubt, one of the most positive experiences either of us has ever had. There are many builders in the Traverse City area, but very few, we think, can match up to your quality of workmanship, willingness to communicate, genuine desire to serve, with humility, high moral business principles and friendly, cooperative relationship, with the home owner. We truly appreciate your patience and realize that you go above and beyond to see that the job is done well, with close attention to detail. We especially appreciate your sense of humor and creative ideas.

Thank you for a wonderful ten months. We welcome potential clients who are looking for a builder, to visit our home, and the opportunity to tell them of the great work you do. We look forward to living in this home for many years and want you and your family to always feel free to visit us. We feel that we have truly gained a friend in you and want to thank you for the gift of that friendship. God Bless you, your crews, and sub-contractors. Be certain to tell them al9hat the Sheridan family appreciates their kindness, sense of humor and workmanship. We wish them well in the future.

Warmest regards,
